'wall street journal
may 27th, 2020 - wall street journal''~~no the english
edition did not el país in english~~
May 27th, 2020 — a headline that works for a spanish reader
will very rarely work for an english speaking reader and
while we use american english in our articles we began life
as a supplement to the international herald tribune and
before the coronavirus crisis had more readers in the us
than anywhere else we tend toward a more british style of
headline writing given that it is freer of constraints''
